Report on Students' Seminar on 'English in the Present Era':-

There was a students' seminar on the theme '*English in the Present Era*' organized by the department of English in Rani Birla Girls' College on 3rd January, 2023. The seminar took place from 10am to 12noon in the college auditorium.

There were six groups with each group consisting of ten members. The brainchild of the entire seminar was respected Dr. Sarmila Paul.

The topics assigned to each group were:-

- ❖ Group 1- English in the Digital Era.
- ❖ Group 2- English as the Easiest Language.
- ❖ Group 3- English as World Language.
- ❖ Group 4- Borrowings in English.
- ❖ Group 5- Loan Words in English.
- ❖ Group 6- British English/American English.

The seminar began with a heart-warming speech by the Principal Dr. Srabanti Bhattacharya and Head of the Department Professor Sushmita Das.

On the big day, each of the groups splendidly presented the Power Point Presentation Slideshow. All the presentations were elegantly styled with impressive colour contrast and visually pleasing animated designs and fonts. A proper projector presentation was arranged by the college that gave a professional ambience to the viewers.

The speakers from all the groups confidently explained their respective topics. They maintained an eye-contact with the viewers and fiercely presented their topics. It was not only enjoyable but also very informative and interesting. All the group leaders too did a great job in coordinating with the members and putting out their best performance in the auditorium.

At the end of each presentation, there was a QnA round where the other groups and the viewers got the opportunity to ask questions, making the seminar highly interactive.

Eventhough each and every group performed with utmost excellence, there had be a single winner. Respected Dr. Apala Dasgupta declared Group 2 to be the best Power Point presenter in the seminar. The faculty congratulated the winning group and the respected professors from other departments like Ms. Pampa Chatterjee of Education department showed great appreciation. Head of the English Department(HOD) Professor Sushmita Das said few words of encouragement for active participation of all the students. The seminar ended with Principal Dr. Srabanti Bhattacharya handing the winning group the prize and the winner certificate while the other groups were handed the certificates of participation.

Overall, it was an amazing seminar that motivated the students to unleash their hidden potentiality and to explore their inner capability. It also helped the students to overcome the fear of speaking in front of several faces. It gave them an experience that will assist them to grow and thrive in the future. The continuous efforts and guidance of the Rani Birla Girls' College and the English department, especially Dr. Sarmila Paul made the entire seminar session a massive success.
